1998

TOWN and SCHOOL REPORTS

The pen and ink illustration of Town Hall was drawn by Lennie Peterson of Worcester, Ma. This is one of two illustrations created by Mr. Peterson which were awarded the first place purchase prize by the Wilton Art and Film Committee for the year 1998.

Lennie Peterson is a prolific artist who has his own comic strip syndicated by Universal Press going into national release. He has a companion book due in the spring of 1999 published by Andrews and McMeel Publishing.

Additionally, he has created illustrations for book and record companies and Children's Television Workshop, and received numerous awards at art shows and galleries nationwide. Mr. Peterson has graciously allowed the Town of Wilton to reproduce this illustration for the cover of this year's annual report as well as to use it in any capacity which will help the Town of Wilton.

Inside photographs contributed by Louise Greene.

Photograph of Guy Franklin contributed by his family.

**DEDICATED TO
GUY WILLIAM FRANKLIN, JR.**

1936 - 1998

Guy Franklin served as Wilton's Chief of Police from 1966 to 1971 and in 1969 he was chosen as runner up by the New Hampshire Municipal Association in a competition to select the state's most outstanding department head.

After leaving Wilton for health reasons, Guy worked at the Milford Area Communications Center as a dispatcher and later as head of Communications. He later volunteered as a Desk Sergeant for the Milford Police Department.

Shown above is Guy receiving a Citation from Selectman William Abbott.

**STATE OF NEW HAMPSHIRE
TOWN WARRANT**

To the inhabitants of the Town of Wilton in the County of Hillsborough and the State of New Hampshire qualified to vote in Town Affairs:

You are hereby notified to appear at the **Wilton Town Hall** in said Wilton on Tuesday, the 9th day of March AD 1999 at 10 A.M to ballot for necessary Town Officers and other action required to be inserted on said official ballot.

(POLLS ARE TO REMAIN OPEN UNTIL 7:00 P.M.)

1. To choose all necessary Town Officers for the year ensuring. (By ballot)
2. Are you in favor of Amendment No. 1 to the existing Wilton Zoning Ordinance as proposed by the Planning Board for the Town as follows:

Amend *Section 3.0 DEFINITIONS* to include a definition in *Section 3.1.2* for Aircraft and add *Section 4.8 Private Aircraft Landings and Takeoffs* to prohibit the use of all lands for private aircraft landing and take-off.

3. Are you in favor of Amendment No. 2 to the existing Wilton Zoning Ordinance as proposed by the Planning Board for the Town as follows:

Under *Section 6.0 GENERAL RESIDENCE AND AGRICULTURAL DISTRICT, 6.2 Lot Requirements*, amend 6.2.1(c.) to replace all references to the High Intensity Soil (HIS) Map with *Site Specific Soil Map* to institute the use of science-based soils information and methods to determine soil potential ratings in regards to septic system siting requirements.

4. Are you in favor of Amendment No. 3 to the existing Wilton Zoning Ordinance as proposed by the Planning Board for the Town as follows:

Amend *Section 11.0 WETLANDS CONSERVATION DISTRICT, 11.4(b.) and 11.4(c.) Special Exceptions* and *Section 6.0 GENERAL RESIDENCE AND AGRICULTURAL DISTRICTS, 6.2.1(e.) Lot Requirements* to replace references to the Hillsborough County Conservation Districts (hereafter HCCD) with analysis conducted by a wetland or soil scientist certified by the New Hampshire Board of Natural Scientists. The substitution will enable the Planning Board to obtain a wetlands review by a certified wetland or soil scientist in order to replace a service that is no longer provided free of charge by the HCCD.

5. Are you in favor of Amendment No. 4 to the existing Wilton Zoning Ordinance as proposed by the Planning Board for the Town as follows:

Amend *Section 8.0 INDUSTRIAL DISTRICT, Section 8.0.1(b.)* to remove a reference to Lot F-160 West of the Souhegan River. Said portion of Lot F-160 has been consolidated into an adjoining lot and renumbered.

6. Are you in favor of Amendment No. 5 to the existing Wilton Zoning Ordinance as proposed by the Planning Board for the Town as follows:

Amend existing Section 9.0, Office Park District, generally to delete Section 9.2 Prohibited Uses; Section 9.4, Maximum Park Development; and 9.5 Special Exceptions; and add new Sections: 9.1 District Location; Section 9.3.2 Frontage; Section 9.4 Architectural Design; and Section 9.5 Open Space Design; and to renumber Section 9.1, Permitted Uses, to Section 9.2. The lot requirements for frontage in the district is proposed as two hundred (200) feet on a Class V or better road. Architectural design requires approval of exterior architectural design as a condition of final site plan approval. And Open Space Design is intended to encourage open space development in a manner that is flexible in regards to parking, and side and rear setbacks, while also promoting retention of area rural character.

7. Are you in favor of Amendment No. 6 to the existing Wilton Zoning Ordinance as proposed by the Planning Board for the Town as follows:

Amend existing *Section 4.7 Temporary Placement of Manufactured Homes* by recodifying it in two subsections, one of which (*Section 4.7.2*) shall contain the current ordinance for the temporary placement of manufactured homes as dwellings, and the second (*Section 4.7.2 Temporary Placement of Office Facilities*) which shall constitute an ordinance for the temporary placement of office facilities while a permanent structure is reconstructed after damage by fire or other natural cause, and which requires a site plan review for the permanent replacement of damaged office facilities.

You are further notified to appear at the **Florence Rideout Elementary School Auditorium** in said Wilton, Thursday the 11th day of March AD at 8:00 P.M. to act upon the following:

8. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be added to the Fire Department Pumper Equipment Capital Reserve Fund previously established or to

take any other action relating thereto. (Budget Committee recommends this article – Selectmen recommend this article.)

9. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Emergency Services Building Capital Reserve Fund previously established or to take any other action relating thereto. (Budget Committee recommends this article – Selectmen recommend this article.)

10. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the Ambulance Vehicle Capital Reserve Fund previously established or to take any other action relating thereto. (Budget Committee recommends this article – Selectmen recommend this article.)

11. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be place in the Bridge Capital Reserve Fund previously established or to take any other action relating thereto. (Budget Committee recommends this article – Selectmen recommend this article.)

12. To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) for the purchase of a new highway truck and new garage doors for the Highway Department building. The monies are to be raised from general taxation or to take any other action relating thereto. (Budget Committee recommends this article – Selectmen recommend this article.)

13. To see if the Town will vote to raise and appropriate the sum of Twenty Six Thousand Dollars (\$26,000) for the purchase of new Police Department computers or to take any other action relating thereto. (Budget Committee recommends this article – Selectmen recommend this article.)

14. To see if the Town will vote to raise and appropriate the sum of Twenty Two Thousand Nine Hundred Twenty Two Dollars (\$22,922) for the purchase of a new police cruiser and to authorize the withdrawal of Twelve Thousand Dollars (\$12,000) from the Police Cruiser Capital Reserve Fund created for that purpose. The balance of Ten Thousand, Nine Hundred Twenty Two Dollars (\$10,922) is to come from general taxation or to take any other action relating thereto. (Budget Committee recommends this article – Selectmen recommend this article.)

15. To see if the Town will vote to raise and appropriate the sum of Two Million, Ninety Thousand Two Hundred Seventy Three Dollars

(\$2,090,273) which represents the operating budget for 1999. Said sum is exclusive of all Special Articles and Individuals Articles addressed. The grand total of the operating budget and all Special Articles is Two Million, Two Hundred, Seventy Four Thousand One Hundred Ninety Five Thousand (\$2,274,195). (Budget Committee recommends this article – Selectmen recommend this article.)

16. To see if the Town will vote to discontinue Mansur Road as a Class V road maintained by the Town between NH Route 101 and Isaac Frye Highway (approximately 680 feet), and direct the Selectmen to sell the real property constituting Mansur Road to the abutting property owner, Monadnock Mountain Spring Water, Inc., for a price to be determined by an independent appraisal of said real property. (By petition)

17. To hear the report of Agents, Auditors and Committees or Officers heretofore chosen to pass any vote relating thereto.

18. To transact any other business that may legally come before said meeting.

Given under our hands this 22nd day of February, 1999.

JERRY W. GREENE
DAVID W. GLINES
STUART S. DRAPER

Selectmen of Wilton, New Hampshire

A true copy of Warrant attest:

We hereby certify that we gave notice to the inhabitants within named to meet at the time and place for the purpose within named, by posting an attested copy of the within warrant at the place of meeting within named, at the Wilton Town Offices, and a like copy of the within warrant attested at the Wilton Post Office, being public places; in said town, on the 22nd day of February, 1999.

JERRY W. GREENE
DAVID W. GLINES
STUART S. DRAPER

Selectmen of Wilton, New Hampshire

JANE K. FARRELL
Justice of the Peace

SELECTMEN'S REPORT

A busy and productive year, 1998 brought many challenges to the Selectmen and the Town of Wilton. The regular Monday night meetings were filled with residents and their various requests. The usual business of running the Town is quite often augmented with legal and financial issues.

We are proud of the work done by so many residents to have our Town accepted into the NH Main Street Program. The Main Street Committee has done a wonderful job and we look forward to working together on future plans. We appreciate also the work done to improve Memorial Park and thank the New Hampshire Landscape Association.

The Town Hall has undergone major renovations in 1998 with a new handicapped entrance, new windows, paint inside and out, and offices for the Town Clerk, Deputy, and Town Secretary. It has been difficult for our staff and we appreciate everyone's patience in dealing with the inconveniences. The design work for the new Keyes Hill Road bridge has been completed and approved by the State of NH. We expect the construction to be completed during the summer of 1999.

We congratulate those who worked to make our Fifth Annual Arts and Film Festival successful. It takes special effort and dedication to bring it all together.

We thank all the Department Heads and Committees who work to keep things running smoothly. And a special thank you to Jane and Kyra and Peggy for all the work they do for Wilton, in and out of the Town Hall.

Respectfully submitted,

Jerry W. Greene, Chairman
Stuart S. Draper
David W. Glines

AUDITORS REPORT

We have completed our audit of the accounts of the Town officers for the Town of Wilton, for the year ending December 31, 1997 and found the following departments to be in order:

*Wilton Public Library
Wilton-Lyndeborough-Temple Ambulance
Trustees of the Trust Funds
Police Department
Building Inspector
Tax Collector
Town Clerk
Water Department
Recycling Center
Town Treasurer
Sewer Department*

We found some improved record keeping, which made our work a lot easier. We, again, had excellent cooperation from all departments, as well as the workers in the Town office.

We would like to thank Jane Farnell, Kyna Brennan, Peggy Ann, and Diane Browning for their assistance, and for the efficiency with which they operate the office.

Respectfully Submitted

*Edna K. Bean
Doris G. Boutwell
Town Auditors*

Total Fees Paid - All Permits \$13,323.19

1998 was another busy year for single family homes with nineteen new construction permits issued by the building department. In addition there were numerous permits issued for alterations, additions, decks, garages etc. as shown in the text above.

The building department is still experiencing problems with non-licensed individuals performing electrical and plumbing work on properties. Per R.S.A. 319.C. Electrical and R.S.A. 54-a Plumbing rules, only licensed individuals are allowed to perform electrical and plumbing work on structures that are not their own residences. Qualified private homeowners can do their own electrical and plumbing work on their single family home. Permits are required for all work. The cost is \$15 per permit.

I would like to thank the residents of Wilton and our local contractors for their continued support and good quality work which improves the environment of our town.

Respectfully submitted,
FRANK S. MILLWARD
Building Inspector

WILTON HIGHWAY DEPARTMENT

Winter Maintenance

There were 25 storms in 1998, including three ice storms, with 41.5 inches of snow. We used 450 tons of salt and 2,000 yards of sand.

Summer Maintenance

The Department installed 260' of underdrain on Goldsmith Road, from the home of Joseph and Donna Poisson to the junction of Marden Road. We constructed a ditch line, with 9" of stone, to stop the continuing washouts we've had in this area. We also installed three catch basins and 700' of underdrain on Wilton Center Road during the reconstruction of 3,800' of the road. This road has a 2" asphalt base and will have a one inch overlay applied this coming year. The Department resurfaced 2,500' of Lower Main Street from Prince Street to the Milford line. This was a very time consuming project as a portion of the road had to be cold planed, then shimmed, to get the correct grade for drainage, and all manholes, water services, and catch basins needed to be adjusted to the correct level to meet the new road surface. We also placed the final 1" asphalt overlay on Burns Hill Road. As usual we graded, raked, and rolled all gravel roads at least twice during the year, as well as maintaining culverts and cleaning catch basins, and painting parking lines and crosswalks.

Water and Sewer

The Highway Department crew also maintains the Wilton water and sewer systems. The pump stations have to be checked each day for meter readings and chemical pump conditions and mixes. We added four new water services this year, and two new sewer connections.

Resurfacing

This is the second year that we have not sealed any roads, as we used all our available funds on the resurfacing of Lower Main Street and the reconstruction of Wilton Center Road. We should reconstruct Wilson Road in 1999.

Equipment

We placed in service a 1992 Mack CH 612, in 1998. It is equipped with a new 10' body and sander, and a central hydraulic system. The town should consider replacing one of our old Macks, with a like unit, in 1999, as other Macks are 1977 and 1979 models.

Respectfully submitted,
CHARLES O. MCGETTIGAN, JR.
Wilton Highway Agent

1998 SEWER DEPARTMENT REPORT

Our 1998 expenses of \$210,207.29 exceeded our budget of \$209,116 by \$1,091.29. The budget overrun was caused by problems with one of our pump stations.

The good news in 1998 was a refund of \$15,880 from the Town of Milford for the year 1997. Additional good news from Milford is our estimated share of the treatment plant budget is down slightly. Our total budget for the year 1999 is \$199,898.

The refund from the Town of Milford will be used towards upgrading equipment. Our current equipment is seventeen years old and we are developing a retro-fit replacement program for the coming years. Thanks to the skills and expertise of Charlie McGettigan and his highway crew, we have been able to keep the cost of equipment failures to a manageable level.

The issue of cellar drains and sump pump drains will be a top priority in 1999. State of N.H. and federal E.P.A. regulations forbid these types of drains into our municipal sewer.

Our annual thanks to Jane, Kyra and Peggy for keeping us on the right page.

Respectfully submitted,
PAUL DESROCHERS
STAN SCHULTZ
RAYMOND MAHONEY

WILTON WATER WORKS

The water system operations this year were fairly routine. There were no major projects done this year and the distribution lines remained intact with no serious leaks. Several new customers were added to the system and a few older services and fire hydrants were replaced.

The storage tank on Abbot Hill Road was cleaned by a sub-contractor to remove mildew and pollen build-up. Acid rain had also affected the surface of the paint. Trees will be removed to increase sunlight and remove the dampness around the tank in the future.

Our meter project moved along slowly this year as problems with the computer system and software billing package were unexpected issues to deal with. This should be resolved in the near future and the reading of meters and generation of bills will proceed as planned.

In closing, we would like to thank the Selectmen, Town Office Staff, Parker Plumbing and Carter's Tractor Works for assisting with the operation of the system this year.

Respectfully submitted,
JAMES A. TUTTLE, Chairman
CHARLES O. MCGETTIGAN, JR.
THOMAS P. HERLIHY

WILTON RECYCLING CENTER

The past year saw about a three percent increase in the total tonnage of materials handled at the Recycling Center. It also saw a drastic reduction of prices toward the end of 1998, due mostly to the Asian financial problems.

The Town of Greenfield is leaving the system which will mean a loss of income, but should also mean less expense.

With the continued efforts of those who use the Center, and those who work here, and a little luck, we should be able to remain close to our \$19.03 annual cost per capita.

Respectfully submitted,
JOSEPH PARO
Manager

WILTON LYNDEBOROUGH TEMPLE VOLUNTEER AMBULANCE AND RESCUE ASSOCIATION

1999 marks the twenty fifth year that the Wilton Lyndeborough Temple Ambulance has been helping their neighbors. Seems as if it were yesterday, but the care is just as enthusiastic, professional, and caring, and it reflects on the communities' volunteer spirit. If they tell you that the spirit has gone, tell them to look at what volunteerism can do at its best.

We have completed our first year as the Wilton Lyndeborough Temple Ambulance and Rescue Association. Temple joined last year. We think that it has been very successful and a boon to all of the towns. The service now has two ambulances, one based in Temple and one in Wilton near the Lyndeborough line, plus additional volunteers.

As you may note in reading the fine print in the town budgets, in the coming year we will see the service being able to support itself to a greater degree, without having to rely on local tax dollars.

The three towns have not been asked for any support, including equipment replacement for the coming year. This will consume a surplus we have built up. After that is used, we will probably have to rely on the towns to support equipment replacement. (We have asked the Selectmen and the Budget Committees to put a dollar in the budgets should some unforeseen event occur.) It is a vital service.

This happy circumstance is mostly a function of the time that the volunteers put in - give. It is also due to a more efficient operation, and a recognition that Medicare, and the insurance companies, were willing to pay a greater share of costs than we were billing. Since we are a not-for-profit local service, we send a letter with each billing stating that if the bill presents a hardship to get in touch with us, and we will respond on an ability to pay basis. We serve everyone without exception.

The service has expanded in numbers and in the calls made. Below is a synopsis of calls, where they were made, etc.

Total Number of Calls	375
Calls to Wilton	218
Calls to Lyndeborough	74
Calls to Temple	63
Calls for Transfer from Medical Center	15
Other Towns (Mutual Aid)	5
Of the 375, 87 were Auto Accidents	

Currently, there are 29 volunteers and one full time chief. Of these, 5 are paramedics, 8 are intermediate EMTs, and 17 are basic EMTs. A paramedic requires 1000 hours of training, an intermediate EMT 240 hours, and an EMT 120 hours, plus continuing training to keep skills current.

And every year we remind everyone that if you want a very satisfying experience, are responsible, are willing to serve, take the training, and stand ready to help neighbors, call us at 654-2222.

WILTON POLICE DEPARTMENT

The year 1998 again showed changes in the Police Department roster. Corporal Stephen Toom left for a position with the Milford Police Department at the end of December. He was replaced by Kris Thibault, a certified police officer.

In 1998, juvenile crime continued to be a large problem, with over 125 complaints, involving thefts, assaults, criminal mischief, criminal trespass and a large number of alcohol and drug related incidents. The Department also made 222 arrests, 19 for domestic assaults, 57 D.W.I. arrests, 42 arrests for drug related offenses, and 30 for alcohol related incidents.

The Department continues to use a "Pro-Active" patrol procedure and feels that it has kept the number of burglaries down, only 2 reported in 1998.

Sergeant Turgeon, a ten year veteran of the Department, received the Department's "Achievement Award" for his service as Sergeant for the Wilton Police Department.

The Wilton Police wishes to thank the Town of Wilton for the continued support they have given to the Department.

Respectfully submitted,
ROBERT D. MAGUIRE
Chief of Police

WILTON FIRE DEPARTMENT

For the year 1998, the Department handled 178 calls and did some very extensive training. Some of the training we accomplished this year was geared toward the off-the-wall incidents such as confined space rescue, rescue from heights and river rescue. We had help in our training this year from an organization called the High Incident Rescue Team. We thank them and those who helped and supported the Department through a very active year.

The Department is going through some changes this year due to the fact that two of our officers retired. A special thank you goes out to Tom Herlihy and Stan Schultz for all the time and effort put into making the Department what it is. They did a great job and will be missed.

The office staff added a new person to the roles this year, Diane Browning. She has done an excellent job in keeping us up-to-date with our reports - great job, Diane, keep up the good work!

In closing, I would also like to thank the employees in the Selectmen's Office, along with the Ambulance Service and Police Department for all their support. Anyone interested in signing up for the Department, feel free to give me a call - we could use a few more interested people to help out.

Smoke detectors save lives - don't stay home without one!

1998 Fire Department Calls

Structure Fires	4	Lightning Strike	1
Leak-Smell Propane	3	Vehicle Fires	5
Motor Vehicle Accidents	26	Trees on Wire/PSNH	4
Medical Call	19	Smoke Removal	2
False Alarms	51	Furnace/Boiler Problems	3
Carbon Monoxide Det. Alarms	3	Illegal Burn	1
Brush Fires	7	Technical Rescue	1
Chimney Fires	5	Bomb Threat	1
Electrical Fires	2	Hazmat Incidents	4
Mutual Aid (Given)	36		

Respectfully submitted,
RAYMOND DICK
Fire Chief

WILTON PUBLIC GREGG FREE LIBRARY DIRECTOR'S REPORT

Carol Magnuson, children's librarian for over twenty years, died in 1998. She is missed by all, by fellow staff members, by adult patrons, but most of all by the children. Her gentle nature and respect for children made visiting the children's rooms a happy occasion for all. The Cub Scouts of Wilton gave her a lasting tribute. They raised funds by giving up their allowances in order to buy children's books in her memory.

At the Library, it has been the year of the computer. The public now has access to the Internet.

The staff and volunteers have been busy bar-coding all of the collection. Irene Welch has done all of the work entering the holdings on the Winnebago system. Constance Paro and Irene Welch have been covering three positions at once.

The school children hope to have weekly visitations once the staff is at its proper level.

The library still provides a meeting room for many organizations. The Historical Society, the Photography Club and the Snowmobile Club all meet regularly at the library. Bianca Bastug offers courses every week to help people pass their G.E.D. She is a library expert.

The demand for books on tape continues to grow.

The library has received several generous gifts of money to increase the media collection. It was much appreciated.

Respectfully submitted,
ANE ALSFELD

CONSERVATION COMMISSION

Another very active year found the Commission involved in tracking everything from mining run-off to Bobcats. We began our training in the Keeping Track program, which will provide us with volunteers able to identify many types of animal "signs" so that we can determine what the most "active" areas of town are and focus our efforts appropriately. This program has been well received and we look forward to completing our training and starting the actual field work in 1999.

In addition to tracking wildlife, the Commission had to track down the sources of run-off into Stony Brook and the Souhegan, resulting in a number of enforcement actions and warnings for these and other activities affecting our natural resources. We continued our work with the Souhegan Watershed Association testing program, which has become an important forecaster for safe swimming in our area. Locally, a member of the Commission has been at most Zoning and Planning meetings this year to improve coordination. On the regional front, we worked with the Nashua Regional Planning Commission to identify lands and areas most in need of protection as part of a state program resembling the former LCIP. This work continues along with our work on cataloging the various parcels and characteristics of the town on our GIS system.

Finally, we were pleased to welcome Jonathan Sargent to the Commission this year and always welcome public participation at our meetings - usually the first Friday of the month at the Town Hall.

Respectfully submitted,
ANDREW ROEPER
Chairman

WILTON LYNDEBOROUGH YOUTH CENTER

The Wilton Lyndeborough Youth Center is pleased to report that Goss Park was enjoyed by 171 families this past year. Most families were from Wilton and Lyndeborough, but also included families from eight neighboring towns. Park activities included swimming lessons for approximately 300 youngsters as well as both a junior and senior swim team with 54 participants. Training programs included tennis lessons, lifeguarding, Red Cross CPR, water safety aides and professional CPR rescuer. Arts and crafts and step aerobics are also sponsored by the Park. Special events included: Wednesday evening cookouts, Little League outings and sleepovers and several swim meets. Friday evening teen nights were very successful.

Janet Johnson, as Park Director, continues to bring excitement and continuity to Goss Park with her many years of experience and dedication. Every morning her "Good Morning Beach Club!!" announcements are welcomed by all. Thank you Janet!

The Youth Center wishes to thank many of the area businesses and individuals for their generous support. A special thank you to Charlie McGettigan and his road crew for the work rebuilding the dock and diving board! Another special thank you to Bruce Heck for his work and time installing the new volleyball court in memory of Samuel Proctor, Sr. The Youth Center Board continues to be grateful for all the support from the community which helps to provide a safe and fun environment for the families of Wilton and Lyndeborough.

The Youth Center will be celebrating its 50th Anniversary this summer. We invite all community members to our celebration which will be announced. If you haven't been in to swim at the Park in recent years or you are new to our community, you don't know what you are missing. The water is cold and clean, the air is fresh and pine scented and there are new and old friends just waiting to meet you!!

Respectfully submitted,
PATRICIA O'CONNELL
Chairperson
Youth Center Board

WILTON MAIN STREET ASSOCIATION

The process for Wilton to be designated a NH Main Street began in January with less than three months to application deadline. The fundraising goal was achieved by the end of March. A total of \$102,091 in cash pledges, and \$81,895 in in-kind services and supplies were raised. Wilton was awarded Main Street status in early July. Program Manager Lisa Derby Oden was hired in September.

From September until year end, activities have included:

- Four-point committees formed - Organization, Promotion, Design, Economic Restructuring.
- Volunteer training - Main Street 101, Market Analysis, Fundraising, and on-going training for those that are new to Main Street.
- Workshops for businesses held in conjunction with Milford Do-It - Window Design, Customer Service, Marketing.
- Office established at 77 Main Street (above the Post Office).
- Initiated quarterly newsletter.
- Memorial Park Landscaping with NH Landscaper's Association held in conjunction with one of three downtown Clean-Up Days.
- Celebration Day, October 4, 1998, for being chosen a Main Street community.
- Market Analysis intercept survey.
- Christmas candy cane raffle.
- Vision Statement adopted.
- National Resource Team visitation and assessment for Wilton revitalization.

Vision Statement

Wilton is the gateway to the Monadnock Region. We welcome visitors to enjoy our historic, natural, and artistic resources. Wilton is a vibrant, friendly, diverse community. Our downtown is the heart of the community - a great place to shop, dine, work, and play - a great place to meet old friends and make new ones.

Respectfully submitted,
LISA DERBY ODEN
WMSA Program Manager

MILFORD AREA COMMUNICATION CENTER

The Milford Area Communication Center provides police, fire, EMS and DPW dispatching services for six towns: Amherst, Greenville, Lyndeborough, Milford, Mont Vernon and Wilton.

We are pleased to report that there were many changes at the Communication Center during 1998. These changes will only assist us in improving our service to our member towns. New computer hardware was purchased to use with a new CAD (Computer Aided Dispatch) program. This program will assist dispatchers in documenting calls received, dispatching units, and address location information. We anticipate this system to be fully operational during the early part of 1999.

The Center received news that replacement parts for our Merlin telephone system will no longer be made available, so the decision was made to replace it with a new system. Our new phone system went on line in November without any disruption to incoming emergency calls.

1998 also saw improvement to our police radio system. With the installation of equipment to an antenna site located on Pead Hill in Wilton, the coverage for the Police Departments west of Milford was improved.

With the ever-increasing amount of radio traffic on the police frequency, it became necessary to look into a second radio frequency for our Police Departments. Through extensive research it became evident that the best way to achieve this goal was to take what we refer to as Channel 5 and use this as our second police frequency. Our "Channel 5" frequency is currently used by two of our EMS services. We are now in the process of researching a new frequency for those two EMS agencies. Once we have completed the research, licensing and radio upgrade we will have two police frequencies and two EMS frequencies. This transition should be completed early to mid 1999.

As the population continues to grow in our member towns, so does our call volume. There was a 12.5% increase in call volume in 1998 over 1997. With our current staffing consisting of a Director, six full time dispatchers and six part time dispatchers, it would not allow us to staff the Center with two dispatchers around the clock. This problem was addressed during the 1999 budget process and the hiring of two additional full time dispatchers was approved.

In the coming year we will continue to upgrade our radio equipment and enhance the radio reception for our member towns. This includes addressing the problem of the increased out-of-area interference on our low-band fire frequency. We would also like to improve the reception for the Highway Department's frequency.

At MACC Base we believe that our dispatchers must be trained for any emergency event that may take place in our service area as well as beyond. In 1999, MACC Base is planning to sponsor a statewide training session for dispatchers. This training session will allow our Center's dispatchers to learn

new techniques from other state agencies. It is our hope that this will become a successful annual event held here at our MACC Base headquarters.

It the need ever arises where you need to access any emergency services, please pick up the phone and dial **9-1-1**. Please remember that **9-1-1** is only for life or death emergencies, fires, or crimes in progress. For all other problems, please call your local agency's non-emergency telephone number or the Milford Area Communication Center at **673-1414**.

I would like to conclude by thanking the Center's dispatchers. Through their hard work, the Center is able to meet its goal of providing our agencies and the public with a professional dispatching service. We look forward to continuing that service in the best possible tradition.

Respectfully submitted,
JOAN K. WETHERALL, M.A.
Director

NASHUA REGIONAL PLANNING COMMISSION

The Nashua Regional Planning Commission provides transportation planning services and technical assistance to twelve Hillsborough County communities. The NRPC stands ready to assist its member communities with any planning and transportation issue of concern. We at the NRPC are grateful for the participation of Wilton's NRPC Commissioners: Diane Nilsson and Thomas Greenman.

The following is a brief summary of our accomplishments in FY 1998:

Transportation Planning

Conducted automatic traffic recorder counts at 101 locations during the year. The Nashua Area Traffic Count Summary was published and distributed to communities. The report provides a summary of counts by hour of the day for each location, and also provides comparative data and percent change in traffic from previous year's counts.

Completed the FY 1999-2008 Transportation Improvement Program and Long Range Transportation Plan. The document provides analysis of long-range forecasts, impacts of potential projects, the recommended program and an air quality conformity analysis. Conducted the public participation process and obtained the endorsement of the Nashua Metropolitan Planning Organization (MPO).

Participated in a bi-regional access management analysis of the Route 101 corridor from Milford to Keene.

Land Use and Environmental Planning

Assisted the Souhegan Watershed Association and the Lower Merrimack River Local Advisory Committee with the citizen water quality monitoring program on the Souhegan and Merrimack Rivers.

Assisted the Souhegan Watershed Association in drafting the nomination to include the Souhegan River in the New Hampshire Rivers Management and Protection Program.

Reviewed applications for site plan and subdivision appearing before the Planning Board as part of the circuit-riding program and assisted with excavations.

Community Development

Completed a significant portion of the Wilton Community Development Block Grant Program. This program provided the Town with \$208,000 to rehabilitate 18 units of housing. Assisted the Main Street Community with writing and submitting their successful application to the NH Main Street Program.

Respectfully submitted,
ANDREW SINGELAKIS
Executive Director

REPORT OF TOWN FOREST FIRE WARDEN & STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the NH Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the state. Your local fire warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas and throughout the state. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

FIRE STATISTICS THRU DECEMBER 23, 1998

Fires Reported in Hillsborough County	232
Total of Fires Throughout the State	798
Total Acres	442.86

SOUHEGAN NURSING ASSOCIATION

SERVICES PROVIDED TO WILTON RESIDENTS SEPTEMBER 1, 1997 TO AUGUST 31, 1998

SERVICES PROVIDED	TOTAL NUMBER OF VISITS
Registered Nurse	809
Physical Therapy	88
Occupational Therapy	1
Medical Social Work	25
Home Health Aide	900
Homemaking	21
Private Duty CNA	38
Private Duty LPN	73
Private Duty Companion	2
TOTAL	1957

In addition to the above there were 212 visits made by Wilton residents to our health promotion clinics.

HEALTH DEPARTMENT

The year of 1998 proved to be a year filled with stray cat complaints and problems with unvaccinated cats. All cats and dogs are required to be vaccinated per R.S.A 436.100.

In an effort to be sure all animals are vaccinated the town office, with the assistance of the Wilton Animal Hospital, holds a rabies clinic at the fire station in late April every year. Cats and dogs are welcome from Wilton and all surrounding towns. Check the Cabinet for exact date and time of the clinic each year.

There is still an ongoing concern in the amount of trash, unwanted furniture, paper, etc. being stored on porches and around properties. This is a fire hazard and a health hazard to children playing in these areas.

Respectfully submitted
FRANK S. MILLWARD,
Health Officer

MONADNOCK FAMILY SERVICES
JULY 1, 1997 THROUGH JUNE 30, 1998

Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little or no income. The Eastern Region Main Office is open five days and three nights per week. The Jaffrey Satellite Office is open four days and two evenings per week. The Antrim Satellite Office is open one day per week. Based in our Keene Office, we provide 24 Hour Emergency Services seven days a week, 365 days a year.

Services we offer, in addition to Emergency Services, include: Psychiatric Assessment, and Medication Treatment, Case Management, Residential Treatment, and a Day Program. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct members of treatment (i.e., family members, school personnel, legal or other sources of referral). Last year the Peterborough, Jaffrey and Antrim offices of Monadnock Family Services served over 742 individuals with more than 16,358 visits for direct treatment.

It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

This past year, Monadnock Family Services provided 1,198 visits of direct treatment to Wilton residents. Of the 22 open cases, 9 were male and 13 were female, 4 were under the age of 18, 17 between the ages of 18 and 59, and one was 60 or older.

Primary referral sources were as follows: Self-referred, physicians, social service agencies, schools and courts, in that order.

MFS Adult Care Center was open over 1,600 hours in 1997, with an average daily attendance of approximately 25 clients. We provided over 16,000 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

**HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF WILTON
JANUARY 1, 1998 TO DECEMBER 31, 1998**

Annual Report

In 1998, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Wilton. The following information represents a projection of HCS's activities in your community in 1998. The projection is based on actual services provided from January through September 1998 and an estimate of usage during October, November and December.

Service Report

Services Offered	Services Provided
Nursing	398 Visits
Physical Therapy	57 Visits
Speech Therapy	20 Visits
Occupational Therapy	0 Visits
Medical Social Work	7 Visits
Nutritionist	0 Visits
Home Health Aide	51 Visits
Homemaker	181 Hours
Outreach	9 Visits
Child Health Program	14 Children
Health Promotion Clinics	19 Clinics

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 88

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

**TOWN OF WILTON, NEW HAMPSHIRE

TOWN MEETING MINUTES FROM
MARCH 12, 1998**

The polls were opened at the Florence Rideout Elementary School Auditorium by Moderator Richard Rockwood at 10 A.M. for the purpose of voting of Town Officers, School Officials and Zoning Questions. The polls closed at 7:00 P.M. From a voter checklist of 2150 registered voters the following votes were cast with various write-ins ommited, 286 votes, including 5 absentee ballots:

Selectmen - 3 years	
Stuart S. Draper	196
Moderator - 2 years	
Richard D. Rockwood	253
Treasurer - 1 year	
Barry A. Greene	246
Trustee of the Trust Funds - 3 years	
Earl Watts (write-in)	6
Trustee of the Trust Funds - 2 years	
Edna Bean (write-in)	4
Planning Board - 3 years (2 positions open)	
Elizabeth A. Castro	184
W. Bruce Johnson	127
Michael Davidson (write-in)	124
Planning Board - 2 years	
Robert Neil Faiman, Jr.	208
Water Commissioner - 3 years	
James A. Tuttle	251
Sewer Commissioner - 3 years	
Raymond Mahoney	247
Supervisor of the Checklist - 6 years	
Position to be filled by appointment	

2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Wilton Planning Board for the Code for Building and Sanitation as follows: In the Code for Building and Sanitation, Article II. Buildings, add to the end of subsection (F) on page E-3 a provision establishing a fine of \$100.00/day from the date of notice for construction that takes place without a valid building permit.

Yes 155

No 115

3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Wilton Planning Board for the Wilton Zoning Ordinance as follows: Amend Section 3.1.33 to Section 3.0 Definitions, to define "Yard Sale" as a temporary use of a residential lot for the sale of personal goods to the general public, allowed twice (2) per calendar year per residence, with each yard sale to have safe and adequate parking, to be completed within 48 hours, and for signs to be posted and removed within 24 hours of the yard sale. Add Section 4.8 Yard Sales to Section 4.0 General Provisions to require a yard sale permit from the Selectman's Office to be issued under the conditions listed above. (Following definitions to be renumbered.)

Yes 111

No 175

4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Wilton Planning Board for the Wilton Zoning Ordinance as follows: Add Section 5.3.1.1 Special Exception Not Required to Section 5.3.1 Home Occupations within the Residential District to clarify that a home occupation may be operated without review by the Zoning Board of Adjustment or the Planning Board if it occupies less than 20% of the gross heated floor area of the primary residence, employs no non-resident employees, has no signs or customer visits, has limited commercial traffic and no outside operations. Also amend Section 6.6.1 Home Occupations within the General Residential & Agricultural District to refer to Section 5.3.1.1 and apply the same criteria to the General Residential & Agricultural District.

Yes 212

No 60

5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Wilton Planning Board for the Wilton Zoning Ordinance as follows: Add Section 15 Wireless Communications Overlay District (WCOD) to establish development standards and to limit the new construction and operation of wireless communications facilities (e.g. cellular towers) to the Industrial and Commercial Districts within Wilton. (Following sections to be renumbered.)

Yes 206

No 65

The Moderator opened the business portion of the Town Meeting at the Florence Rideout Elementary School Auditorium on Thursday the 12th day of March 1998 at 8:15. He began the meeting with noting the election results shown above. He stated Michael Davidson had requested a recount of the Planning Board - 3 year term position. The recount would be held on March 17, 1998. He then began with Article Number 6 of the posted budget.

6. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be added to the Fire Department Pumper Equipment Capital Reserve Fund previously established or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Jerry Greene, seconded by Stuart Draper.

Stuart Draper addressed a question from the floor whether this new pumper would fit into the existing fire department structure. He responded it would not fit and that this problem was being addressed by a committee looking at the emergency services of the town. They were examining a plan for a structure that would house both the police and fire departments. Part of the study was also looking at the best location for this combined building. Once the ideas were put together the committee would come before the townspeople to present their ideas.

Setting aside monies for the pumper and the building in the past several years and this year will help lessen the tax impact when the pumper is purchased and the building built. He further stated that no decisions or purchases could be done without a vote of the townspeople at the March town meeting.

Stuart explained that over the next five to six years, the town is looking at spending approximately \$1.5 million to \$1.75 million for new projects and improvements. Some of the areas where monies would be spent would be to pay for three new police cruisers, a new police computer, two bridge replacements, a new fire truck, and a new emergency services building. Monies are being set aside into capital reserve funds so at the time these projects are done they won't have such a large impact on the tax rate. Nor would we have to pay interest on the money.

He further stated that the town portion of the tax rate had dropped since 1993 by ninety seven cents (\$.97) and that overall the tax rate, (school, town & county) had increased in that time by 12.8%. The conservative approach by the budget committee has been appreciated but to avoid having to bond these upcoming projects, and pay large amount of interest, we need to start setting aside monies in these capital reserve projects.

Voice vote approved.

7. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Emergency Services Building Capital Reserve Fund previously established or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Stuart Draper, seconded by Jerry Greene. Voice vote approved.

8. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the Ambulance Vehicle Capital Reserve Fund previously established or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Stuart Draper, seconded by Jerry Greene. Voice vote approved.

9. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000) to be added to the Police Cruiser Capital Reserve Fund previously established or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Stuart Draper, seconded by Jerry Greene. Voice vote approved.

10. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand Dollars (\$200,000) to renovate the Town Hall and to withdraw Thirty Seven Thousand Dollars (\$37,000) from the Town Hall Repair Project Capital Reserve Fund, as established March, 1994. The fund is also known as the Town Hall Expendable Trust Fund to which monies were appropriated in March 1996 and March 1997. The balance of One Hundred, Sixty Three Thousand Dollars (\$163,000) to be raised from general taxation or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Jerry Greene, seconded by David Glines. Stuart explained the renovations were necessary so the town hall could be made handicap accessible. There is concern of a law suit if the building is not brought into compliance with federal regulations for access. The intent is to keep the outside the same except for the window replacement and the ramp. Inside renovations include redoing the heating system (changing it from an elevated steam system to a ground level hot water system), redoing work areas and creating a new meeting area and storage area.

Chuck Hall proposed not spending the money on the building at all and instead the town should build a new town hall on another site. This suggestion was answered with a groan from the voters in the hall. Dick

Rockwood stepped aside as Moderator and asked "When did you move into town?"

Gail Proctor spoke at length of the need to study the towns overall needs before large funds were spent. Another resident suggested that Cooley Park funds be redirected towards the town hall renovations. It was stated that this was discussed but it was brought up too late to be part of this years meeting. It only could be done with a vote of the townspeople at next years meeting.

The question was moved and seconded. The article was voice vote approved.

11. To see if the Town will vote to raise and appropriate the sum of Four Hundred Thousand Dollars (\$400,000) to replace the Keyes Hill Road Bridge and to withdraw Eighteen Thousand Dollars (\$18,000) from the Bridge Capital Reserve Trust Fund previously established and apply Forty Thousand Dollars (\$40,000) which was appropriated in March 1994 for the Keyes Hill Bridge Repair Project in a non lapsing account. Three Hundred, Twenty Thousand Dollars (\$320,000) to be paid by the State of New Hampshire. The balance of Twenty Two Thousand Dollars (\$22,000) to be raised from general taxation or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Stuart Draper, seconded by Jerry Greene. Stuart Draper explained that the bridge would be shut regardless of the vote tonight. The State mandated the bridge be shut because it was unsafe for travel. Walter Hardy asked why in 1994, when this bridge replacement was first discussed, the anticipated cost was Two Hundred Thousand Dollars (\$200,000) and now the price was Four Hundred Thousand Dollars (\$400,000). It was acknowledged that the old figure in hindsight was not very realistic and that the work that had to be done was going to be much more expensive than originally thought.

The question was moved and seconded. The article was voice vote approved.

12. To see if the Town will vote to appropriate the sum of Thirty Five Thousand Dollars (\$35,000) from the Highway Department Capital Reserve Fund, previously established, for the purchase of a truck. Said funds are to be withdrawn from the Highway Department Capital Reserve Fund and not to be raised from general taxation or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Stuart Draper, seconded by Jerry Greene. Voice vote approved.

13. To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) for the purchase of a portion of Lot A-021 on Burton Highway. This purchase is necessary for the future replacement of the Burton Highway Bridge, number 076/144, located just above Frye's Measure Mill. The monies are to be raised from general taxation or to take any other action relating thereto. (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Stuart Draper, seconded by Jerry Greene.

Tom Greenman voiced concern about changing the scenic nature of the area if the bridge was straightened. Road Agent Charlie McGettigan said it would be straightened to make it safer for all to use. Voice vote approved.

14. To see if the Town will vote to raise and appropriate the sum of Two Million, Twenty One Thousand, Forty One Dollars (\$2,021,041) which represents the operating budget for 1998. Said sum is exclusive of all Special Articles and Individual Articles addressed. The grand total of the operating budget and all Special Articles is Two Million, Seven Hundred Thirty Four Thousand, Forty One Dollars (\$2,734,041). (Budget Committee recommends this article - Selectmen recommend this article.)

Moved by Jerry Greene, seconded by Stuart Draper.

Jim Nelson moved to amend the line item of the cemetery to increase it by Ten Thousand Dollars (\$10,000) to purchase and implement a computer cemetery program. The price included software of Forty Four Hundred Dollars (\$4,400) and Fifty Six Hundred Dollars (\$5,600) labor. He spoke of the necessity of properly registering burials, cemetery lots and to track cemetery trust funds. Stuart Draper seconded this amendment. Voice vote approved.

Moderator Richard Rockwood then asked for a vote on the main budget article as amended. The revised operating budget, total appropriations, of Two Million, Thirty One Thousand, Forty One Dollars (\$2,031,041) is exclusive of the articles already addressed. The grand total of the operating budget and all Special Articles is Two Million, Seven Hundred Forty Four Thousand, Forty One Dollars (\$2,744,041). The amended budget was voice vote approved.

Voice vote on amended budget article approved.

Moderator added as a footnote that Four Hundred Fifty Thousand Dollars (\$450,000) has either already been raised or is coming from another source such as the State of New Hampshire (\$320,000 for the bridge replacement). He stated the amount to be raised by taxes will actually be Two Million, Two Hundred Ninty Four Thousand, Forty One Dollars (\$2,294,041).

15. To see if the Town will vote to ratify and adopt the cemetery plot fees of One Hundred Fifty Dollars (\$150.00) per plot (a plot being 42" x 10', 1 burial space) or take any other action relating thereto.

Moved by Stuart Draper, seconded by Jerry Greene.

Beverly Smith questioned why was there a 200% increase in the cost of burial plots. Charlie McGettigan explained the old Fifty Dollar (\$50) fee was established in 1943. He further stated the monies from burial plot purchases go directly to the cemeteries and not to the town. The cemeteries are suppose to be self supporting. The fee is a one time fee that covers the initial burial and perpetual care of the lot. Jim Nelson explained that the new rate was very reasonable when compared with other towns.

Voice vote approved.

16. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen to pass any vote relating thereto.

Stuart Draper moved to accept the reports as printed in the town report. Seconded by Jerry Greene.

Stuart Draper moved to reappoint the following officials to their town boards: Stanley Young as Library Trustee Town Representative; Mark Gibbons as Corder of Wood, Mark Gibbons and Philip Heald as Surveyors of the Lumber, Philip Heald and Ross Jennings as the Forest Committee; and Leroy Tuttle as Masonry, Brick and Stone. Seconded by Jerry Greene. Voice vote approved.

17. To transact any other business that may legally come before said meeting.

Jim Nelson, Spokesman of the WBA (Wilton Business Association) addressed the meeting about the Wilton Main Street Program. He stated this was a new program that was being implemented throughout the nation since 1979. He explained it was intended to revitalize all areas that are participating, not just downtown merchants.

It was starting with the application process that involved forty volunteers and a deadline date of April 3, 1998. It was the programs intent to raise Ninty Thousand Dollars (\$90,000) in the next three years. Thirty Thousand Dollars (\$30,000) to be raised, or pledged, each year. All monies are raised by donations. Monies or pledges of monies can also be from in kind services, financial support, or merchandise related to the running of the program. He spoke about how he felt this was a very worthwhile program and encouraged all townspeople to participate.

Cheryl Burns acknowledged Laura McGettigan's twelve years of service as a Supervisor of the Checklist. Her vast knowledge of the town and townspeople, dedication and hard work were going to be missed. A standing ovation by all those in attendance followed.

Gail Proctor asked why town employee salaries were not published in this years report. Stuart Draper responded that there was a majority vote several years ago to not publish these figures. He also stated last year there was a non binding vote to not publish the wages. The Board of Selectmen and the School Board felt the wages should be left out of the reports. Stuart stated the actions of the Co-op are not in their control as they are entirely a different district. If someone wants the issue placed on the ballot for the voters to decide that is their choice. He voiced his personal opinion that private industry doesn't publish employees salaries and he felt neither should the town.

Stuart Draper moved to adjourn the meeting, seconded by Jerry Greene. Voice vote approved. Meeting adjourned at 10:02.

Respectfully submitted
JANE K. FARRELL, Clerk

ADDENDUM TO MARCH 10, 1998 TOWN ELECTION RESULTS

Planning Board contender Michael Davidson requested a recount of the March 10, 1998 three year planning board contest. The original count showed W. Bruce Johnson receiving 127 votes and Michael Davidson, as a write-in, receiving 124 votes.

A recount was conducted Tuesday, March 17, 1998 at 4P.M. at the Wilton Town Office. The following persons were present: Moderator Richard Rockwood, Selectmen Jerry Greene and David Glines, Deputy Town Clerk Kyra Brennan and Michael Davidson.

The recount showed Michael Davidson received 122 votes while W. Bruce Johnson received 127 votes. W. Bruce Johnson was upheld as the winner for the three year planning board position.

Respectfully submitted,
JANE K. FARRELL, Clerk

**INVENTORY OF
TAXABLE PROPERTIES
AS OF
APRIL 1, 1998**

Valuations are as of April 1, 1998
while ownership is current through the printout date.

Valuations are based on a 1997 equalization rate of 56%.

To determine full market value divide the total property valuation by the
equalization rate.

STATE OF NEW HAMPSHIRE
WILTON SCHOOL DISTRICT WARRANT
FOR ANNUAL DISTRICT MEETING ON MARCH 11, 1999

To the inhabitants of the Wilton School District in the Town of Wilton, in the County of Hillsborough, State of New Hampshire, qualified to vote upon Wilton District Affairs:

You are hereby notified to meet at the Florence Rideout Elementary School in said District on Thursday, March 11, 1999 at seven-thirty (7:30) o'clock in the afternoon to act upon the following:

Notice: School District Officers to be elected at the Town Meeting to be held at the Wilton Town Hall beginning at 10:00 o'clock in the morning on Tuesday, March 9, 1999.

6. To hear reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.
7. To see if the district will vote to approve the cost items included in the collective bargaining agreement reached between the Wilton School Board and the Wilton Education Association which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
1999-00	\$ 0
(no dollar impact on the budget in year one due to the savings realized from changing health & dental insurance plans)	
2000-01	\$37,987.00
2001-02	\$38,950.00

and further to raise and appropriate the sum of \$0.00 for the 1999-2000 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. (Supported by the School Board - Supported by the Budget Committee)

8. Shall the district, if article # 7 is defeated, authorize the governing body to call one special meeting, at its option, to address article # 7 cost items only? (Supported by the School Board - Supported by the Budget Committee)

9. To see if the district will vote to raise and appropriate \$1,883,841.00 for the support of schools, for the payment of salaries for the school district officers and agents, and for the payment of the statutory obligations of the district. This article does not include appropriations voted in other warrant articles. (Supported by the School Board - Supported by the Budget Committee)
10. To see if the district will vote to raise and appropriate the sum of \$15,000 to be added to the school district Capital Reserve Fund previously established to fund all or part of the cost of building modifications required to accommodate needs of persons with disabilities as required by the Federal American with Disabilities Act. (Supported by the School Board - Supported by the Budget Committee)
11. To see if the district will vote to; (1) establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of renovating the gymnasium at Florence Rideout Elementary School; (2) raise and appropriate the sum of \$50,000 to be placed in the fund; and (3) additionally to designate the school board as agents to expend. (Supported by the School Board - Supported by the Budget Committee)
12. To see if the district will vote to; (1) establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of building improvements at Florence Rideout Elementary School; (2) raise and appropriate a sum up to \$20,000 to be placed in the fund with such amount to be funded from the year end undesignated fund balance available on July 1 ; and (3) additionally to designate the school board as agents to expend. (Supported by the School Board - Supported by the Budget Committee)
13. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID WILTON THIS 10th DAY OF FEBRUARY, 1999.

WILTON SCHOOL DISTRICT ANNUAL MEETING
MARCH 12, 1998

The annual meeting of the Wilton School District was held on Thursday, March 12, 1998 at 7:30 p.m. at the Florence Rideout Elementary School. Moderator Richard Rockwood called the meeting to order. He explained the procedures to be followed at the meeting and read the warrant as posted beginning with Article 6.

Article 6: Joyce Fisk moved that the reports of Agents, Auditors, Committees, or Officers chosen be accepted as printed in the Annual School District Report. Betsy Warren seconded the motion. Article 6 carried by voice vote with no discussion.

David Roemer requested that Article 8 precede Article 7 in discussion and vote explaining that if Article 8 did pass that it would affect the total moneys requested in Article 7. Moderator Rockwood approved this request.

Article 8: Joyce Fisk moved that the district vote to raise and appropriate fifty-seven thousand dollars (\$57,000) to establish a public kindergarten. David Roemer seconded the motion. Joyce Fisk explained the new program, its start up costs, renovations, the teacher and aide position, and the state reimbursement.

Donna Hoover asked about the costs of transportation? Joyce Fisk explained that there would not be transportation provided.

Chuck Hall inquired as to the availability of state money. Would this money be guaranteed or just anticipated? Joyce Fisk explained that the money from the state should be available.

Trish Walker asked where the space was available for a kindergarten, and the number of students expected in the program? Joyce Fisk answered that the kindergarten would be located in the old SAU Office after renovations. The program is expected to enroll 20 students each in two sessions.

Randy Greeley asked if the salary requested was to include benefits, and if the school had available space? The salary requested did include benefits, and David Roemer explained that the kindergarten would replace the present SPED preschool. Money would be removed from the SPED program and used for a kindergarten. At this point space would not be an issue but if the enrollment grew the school would need to look into their space needs.

Hal Melcher asked that if money was available from the state for meeting space needs, and we did not apply for this money now could we apply later? Francine Fullam explained that the current appropriation was from the year 1997 - 2002. The state funding should be available for any use until 2002.

Cheryl Burns asked where the preschool would be going? David Roemer said the current program has all 3 & 4 year olds attending school in Mason, Wilton handles the 5 year olds. The 5 year old children would attend the kindergarten.

Paula Marks asked if the readiness program would continue or be eliminated with kindergarten? David Roemer answered that the readiness program would continue at this time.

Mark Whitehill asked that is 40 students a realistic number? Joyce Fisk explained that they arrived at this number in response to a survey they had conducted.

Hal Melcher asked if all 5 years old would be required to attend kindergarte? Joyce Fisk answered no.

Debby Greeley asked if the \$750 from the state was available to parents if they choose to send their children to a private kindergarten.? Joyce Fisk responded no. Debby then asked that if the enrollment went down what would happen to the teacher. Joyce Fisk answered that the teacher would have to work part time.

The motion passes by voice vote.

Article 7: David Roemer moved that the District vote to raise and appropriate one million seven hundred thirty three thousand three hundred ninety nine dollars (\$1,733,399) for the support of schools, for the salaries of school district officers, agents and for the payment of statutory obligations of the district. Joyce Fisk seconded the motion.

With no discussion the motion passed by voice vote.

Article 9: Betsy Warren moved that the District vote to establish a Capital Reserve Fund under the provision of RSA 35:1 for the purpose of modifying the existing roof drains at the Florence Rideout School and to raise and appropriate ten thousand dollars (\$10,000) to be placed in this fund and additionally to designate the school board as agents to expend. Joyce Fisk seconded the motion.

Donna Hoover asked what were the costs to send the water to Milford? Stuart Draper explained that the figure may not be ten thousand dollars this year, but it would be cost effective over the upcoming years. At this time the town is paying for the treatment of rainwater.

Cheryl Burns asked if any of the money requested would cover the cost of repair of leaky roofs? David Roemer responded no.

Ray Mahoney explained that for every inch of rain over twelve thousand gallons of water is sent to Milford Treatment Center.

Dick Greeley stated that this affects every taxpayer not just those with town sewer.

The motion carried by voice vote.

Article 10: David Roemer moved that the District vote to raise and appropriate ten thousand dollars (\$10,000) to be added to the school district Capital Reserve Fund previously established to fund all or part of the costs of building modifications required to accommodate needs of a person with disabilities as required by the Federal American with Disabilities Act. Joyce Fisk seconded the motion.

Don Davidson asked if there were any penalty for non-compliance? Francine Fullam explained the SPED Program must make accessible the entire program to all students. Failure to do so may make the district liable for a civil suit and may result in the withholding of federal funds. Mr. Davidson asked how we presently handles this situation? It was explained that at present we move classes and that the intention is to make both buildings accessible.

Conrad Dumas explained that in addition to all program being available to all students, there is a need to make both buildings accessible to parents and the public. The ADA wants the

district to show an attempt has been made, but in the event of a suit it would require immediate modifications of so chosen by a court.

The motion carried by voice vote.

Article 11: To transact any other business that may legally come before this meeting.

Gail Proctor asked why the teachers salaries had not been published in this years Town Report? David Roemer responded that it was a decision of the school board. Ms. Proctor added that while picking up copies of town and school salaries at the town office she understood that the decision was made by the school board. Mr. Roemer responded that since the clerk was not present when the decision had been reached that the information she had received was incorrect and that she must have been misinformed. Ms. Proctor requested that Mr. Roemer's response appear in the report.

Chuck Hall asked why salaries had not been published? David Roemer answered that by the discussion of previous meetings that the need for fairness was evident. It was noted that the salaries of the Wilton- Lyndeborough staff had been published. Mr. Hall asked if the decision was reversible? David Roemer responded yes.

A motion was made by Cheryl Burns to adjourn. It was seconded by all. The vote was unanimous. The meeting was adjourned at 8:07 p.m.

Kelly C. Eshback

Acting Clerk

FLORENCE RIDEOUT ELEMENTARY SCHOOL YEAR 1997/98

The 1997/98 school year opened with an enrollment of 323 students in preschool through grade six. One new teacher was added to our professional staff this year. Mrs. Jacqui Andreassen was appointed to a second grade teaching position.

An important curriculum project was initiated this school year. Using funding from Federal grants, teachers from Florence Rideout, Lyndeborough Central, and the Wilton Lyndeborough Cooperative High School worked with a consultant from the Center for Resource Management to align our Math and Science Curriculum with the New Hampshire State Curriculum Frameworks. This is an ongoing project and will also involve Social Studies and Language Arts during the 1998-1999 school year.

In July the Wilton School Board voted to form a Kindergarten Study Committee to research the feasibility of offering public kindergarten in Wilton. In December the committee reported back to the school board with a recommendation to support the funding of public kindergarten. At the School District meeting in March, the voters of Wilton supported a warrant article to fund public kindergarten.

Enrichment activities were again offered to our students throughout the school year. Our children had an opportunity to participate in drama club, chorus, show choir, Odyssey of the Mind, gymnastics, and spring track.

Our PTO and community volunteers continue to be an integral part of our school program. Our Parent Teacher Organization is not only a source of financial assistance, but a source of enthusiastic support and creative planning. This year over one hundred volunteers participated in school activities.

In June, first grade teacher Olga Murphy, brought to a close 23 years of dedication to the children of Wilton by announcing her retirement from education. Mrs. Murphy has touched the lives of so many children and adults at Florence Rideout Elementary School.

SPECIAL EDUCATION ANNUAL REPORT 1998
Lyndeborough, Wilton & Wilton-Lyndeborough Cooperative School District

Several changes have occurred since the last annual report in the delivery of special education services. We now integrate all five year olds, who are identified as in need of special education services within SAU63, into the Wilton Kindergarten Program. Former preschool teacher, Mary Leadbeater, is one of the Kindergarten teachers and this process seems to be going well. All three and four year old special needs students are sent to the Mascenic Preschool classroom in the Mason Elementary School. Also, due to changes in the federal regulations that control the provision of special education services, all meetings, especially the referral and identification meetings, are now held in the local school buildings. In the past, referral meetings were at the SAU Office and identification meetings were conducted without parent participation. These changes allow for more building staff and parent involvement in the decision making process. We are in support of these regulatory requirements though it puts more burden on us administratively to schedule all meetings with parents and staff in the respective buildings. So far, early indications are that the process is working out quite well.

We continue to do all we can to locate state and federal dollars to offset the cost of special education services, especially for expensive out of district placements. For the period ending 6-30-98 we received \$8293.61 from Medicaid and \$118, 490.74 in special education catastrophic aid that was returned to the three districts that represent the towns of Lyndeborough and Wilton.

Finally, Mr. Duesing, the Student Services Coordinator for the past five years left in December for another position. We are in the process of replacing him with Nancy Kring-Burns our current preschool teacher in Mason. As you can see, life in special education is forever changing as it is in all of life. The SAU Special Education Office is on line and our email address is sau63@tellink.net. Call or email us if you have any questions. Thank you.

Respectfully submitted by,

Conrad B. Dumas
Director of Special Education

TITLE I REPORT

The Title I program provides services to approximately 280 students in eight schools. Nine tutors, a director, and a secretary are employed by the grant. Teaching services are mainly focused on language arts with some emphasis on math word problems. Each tutor works with approximately thirty-one students. The Title I goal is to teach and encourage the students with whom we work to become successful and independent learners through a supplemental instructional program that focuses on the students' individual needs.

The Title I program is non-discriminatory and is open to all students, grades K - 8, who score below the fiftieth percentile (basic level). The project integrates language art lower level skills of phonics, grammar, capitalization, sight words, punctuation, vocabulary, and computation within the framework of the higher level skills of reading comprehension, written expression, spelling, and math problem solving. Study skills are taught as needed and as a part of the comprehensive program.

Title I student growth is measured and/or monitored through report card reviews, Diagnostic Achievement Battery II pre and post testing, local district assessments such as first grade screenings, math and reading tests, and state assessments. Title I students also maintain a portfolio of their work so that progress can be assessed as the year progresses.

The Title I staff continually works at upgrading their professional and teaching skills. Our emphasis on teaching skills centers around both new and old techniques. This year we will be exploring learning styles and how the brain functions as well as how ESL (English as a Second Language) affects how children learn.

Mrs. Linda Cleary, the previous Title I Director, has ably led the project for the past fifteen years. Under her guidance the program has grown and flourished. Since Mrs. Cleary's retirement this year, Marie Anne Comboss has taken the director's position. Mrs. Comboss has Master's degrees in both reading and administration and has a life-long commitment to and interest in the teaching of reading.

Submitted to: Francine Fullam, Superintendent

WILTON-LYNDEBOROUGH COOPERATIVE SCHOOL DISTRICT WARRANT

FOR ANNUAL DISTRICT MEETING ON MARCH 5, 1999

To the inhabitants of the Wilton-Lyndeborough Cooperative School District in the Towns of Wilton and Lyndeborough, in the County of Hillsborough, State of New Hampshire, qualified to vote upon Wilton-Lyndeborough Cooperative School District Affairs:

You are hereby notified to meet at the Wilton-Lyndeborough Cooperative Junior-Senior High School in said District on Friday, March 5, 1999 at seven-thirty (7:30) o'clock in the afternoon to act upon the following:

Notice: School District Officers to be elected at the Town Meeting to be held at the Wilton Town Hall in Wilton and the Lyndeborough Central School in Lyndeborough at 10:00 o'clock in the forenoon on Tuesday, March 9, 1999.

5. Shall the district vote to raise and appropriate the sum of \$6,476,775.00 for the construction of an addition and renovations to the existing cooperative school including furnishings, equipment, architectural and other fees, for site development and for any other items incidental to or necessary for said construction; all of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq. as amended; to authorize the school board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the school board to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the school board to take any other action on or to pass any other vote relative thereto? (2/3's vote required) (Supported by the School Board - Supported by the Budget Committee)
6. To see if the district will vote to raise and appropriate \$2,916,998.00 for the support of schools, for the payment of salaries for the school district officials and agents, and for payment of statutory obligations of the district. This article does not include appropriations voted in other warrant articles. (Supported by the School Board - Supported by the Budget Committee)
7. Shall the district vote to raise and appropriate up to \$50,000.00 to be added to the school district building maintenance Capital Reserve Fund previously established, with such amount to be funded from the year end undesignated fund balance available on July 1? (Supported by the School Board - Supported by the Budget Committee)
8. Shall the district vote to raise and appropriate the sum of \$100,000.00 for the purpose of renting, including set-up and utilities, three portable dual classrooms for the next school year? (Supported by the School Board - Supported by the Budget Committee)

9. Shall the district vote to raise and appropriate the sum of \$200,000.00 for the purpose of renovating and repairing the existing gymnasium floor? (Supported by the School Board - Supported by the Budget Committee)
10. Shall the district vote to raise and appropriate the sum of \$50,000.00 for the purpose of renovating and repairing the existing roof? (Supported by the School Board - Supported by the Budget Committee)
11. Shall the district vote to raise and appropriate the sum of \$75,000.00 for the purpose of addressing state fire code requirements required for school opening in September 1999? (Supported by the School Board - Supported by the Budget Committee)
12. To hear reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.
13. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID WILTON THIS 10TH DAY OF FEBRUARY, 1999.

Robert Howe
SCHOOL BOARD

WILTON-LYNDEBOROUGH COOPERATIVE SCHOOL DISTRICT MEETING

March 6, 1998, Wilton-Lyndeborough High School

The meeting was opened at 7:30 p.m. by Moderator Richard Rockwood.

ARTICLE 5

Robert Howe moved, Robert Nields seconded, that reports of Agents, Auditors, Committees, or Officers chosen, be accepted as printed in the Annual School District Report.

The article passed on a voice vote with no discussion.

ARTICLE 6

Robert Nields moved, George Birner seconded, That the District raise and appropriate the sum of two million, nine hundred eighty-eight thousand, six hundred twenty-five dollars (\$2,988,625) for the support of schools, for the salaries of school district officers, agents and for the payment of statutory obligations of the District.

Heiner Strube asked for an explanation of the reported 9.2 percent rise in the budget. Barry Greene said that increase represents the total increase in the budget, including a 1.3 percent rise in Special Education and a 7.9 percent increase in the regular budget, and said the majority of the increase was out of the School Board's control. Health care costs have risen about 30 percent, the Board has to put the numbers given them into the budget, but the Board is still looking for ways to reduce that figure. The Board does not have the right or ability under state law to simply not offer a negotiated benefit. Of the budget increase, 60 percent is negotiated.

The article passed on a voice vote with no dissent.

ARTICLE 7

George Birner moved, Gretchen Dunn seconded, that the District raise and appropriate the sum of thirty-five thousand dollars (\$35,000) for the feasibility and design of an addition to Wilton-Lyndeborough Cooperative High School.

Debbie Ducharme asked why \$35,000 had to spent to see if the plan is feasible. Gretchen Dunn explained the history of the Space Needs Study, how they had arrived at the plan to add the second floor to B wing; that the school is crowded now; and said when the school was designed in 1969 a second story was planned for but not built.

Ms Ducharme asked about the total enrollment and capacity of the school. Mr. Greene said the "physical capacity" became 400 students when the two classrooms were constructed at the rear of the cafeteria. He noted that the plan is 30 years old, designed

before ADA, Special Education, and current codes were adopted. The core facility was designed for 600 students. He said the second floor was not built originally because the planners felt it was too expensive. We have to make sure the original construction meets current standards, have to measure and test, and the work has to be certified.

Asked about the original architect, Ms. Dunn said he had passed away.

In answer to questions about construction timetables, Mr. Greene said, with any luck, the second story floor has been poured. It is planned to have the outside walls and roof completed during summer months. Typically school construction takes three years, but with the feasibility and design done together, it could be shortened to two years. State aid of 45 percent is expected. If we find the second floor is not feasible, we are back to the beginning and that could mean temporary classrooms.

Asked about the affect of the total budget on the tax rate, Mr. Greene said \$2.03 per \$1,000 valuation for Wilton, and \$1.94 for Lyndeborough.

Asked if the whole school has to be brought up to current codes, Mr. Greene said they wouldn't know until after the study, but he expected the majority of the building would have to addressed, such as wider doors for wheelchairs, bathrms, etc. for handicapped access and it would be cheaper to combine the whole renovation into one package.

The article passed by voice vote with no dissentions.

ARTICLE 8

Barry Greene presented a matted and framed section of the old blue carpet from the school library to William Keefe, who, as chairman of the Budget Committee long opposed the replacement of that carpet. Mr. Keefe has retired from the Budget Committee after nine years of service.

George Birner and Robert Nields presented an appreciation gift to Barry Greene who is retiring after three terms on the Board.

The meeting adjourned at 8 p.m.

Respectfully submitted,

Acting clerk

WILTON-LYNDEBOROUGH COOPERATIVE SCHOOL DISTRICT
ADMINISTRATOR'S REPORT

The 1998 school year began with 330 students with grade enrollments as follows: grade seven - 73; grade eight - 58; grade nine - 60; grade ten - 53; grade eleven - 48; and grade twelve - 38.

New faculty members for the 1998 school year include: Lisa Goodell in Physical Education, Leland Anderson in Mathematics & Science, Laurie Mullin English & Reading, Linda Draper as a Special Education Aide, Nancy Sweeney as a Special Education Aide, Deirdre Field as Study Skills Aide, and Robert Potter as the Assistant Principal.

At the annual school district meeting in March 1998, the district voters approved an appropriation of \$3,023,625 and a warrant article of \$35,000 to plan and design an addition to the Wilton-Lyndeborough Cooperative Jr. Sr. High School. Mr. George Birner was appointed chairperson and Mrs. Gretchen Dunn was elected vice-chairperson of the school board. Mr. Lawrence Brown was appointed treasurer, and Mr. Nathan Hastings and Ms. Krystal Jensen were elected by the student body as student representatives to the school board.

The Wilton-Lyndeborough Girls Softball team clinched the class "S" State Championship.

In September the Wilton-Lyndeborough Cooperative faculty had their on-site visit by the New England Association of Schools and Colleges (NEASC) and we are currently awaiting the final report by the visiting committee.

In October I was notified that the following teachers were selected to a very unique group of teachers of Who's Who Among America's Teachers of 1998: Olympia Clark, Diane Doran, Daniel Horn, Daniel Pare, Pamela Webb, and Judi Wing. There is no greater honor for a teacher than to be recognized for excellence by former students.

The Building Committee was formed in April 1998 to evaluate the facility at the Wilton-Lyndeborough Cooperative. The Building Committee along with the Architect designed an addition and renovation plan that

will best serve the needs of Wilton and Lyndeborough for the next decade.

The School Improvement Program (SIP) continued with a steering committee comprised of a school board member, parents, faculty members, and an administrator who met on a bi-weekly basis. Their work this year involved communication between the parents and the school as well as getting more parent volunteers into the school assisting the teachers.

Wilton-Lyndeborough held graduation on June 12th and Mr. George Birner chairperson of the school board presented diplomas to 52 seniors.
